

Getting to my office:

Located at the U of A's Radiology Research Labs on the UMC Campus (Behind the hospital in the 1 story buildings), Office 166.

Before you come, please call to make sure I am available: 626-4500

Street Address: 1609 N. Warren Ave, Tucson, AZ.

Please see the directions below, not all maps accurately show the address.

Directions: (see maps next page)

1. From the **intersection** of **Speedway & Campbell** head **North**. (see first map)
2. Turn **left** on **Elm st.** (First stop light)
3. Turn **Right** at **T-Intersection**. Road will then bend to the left and head behind the hospital (Road is now **Ring Road**).
4. Continue driving on Ring Road go **past Warren Avenue**
5. **Take the next left into a drive way** (with a chain link fence on both sides) and **park in one of the green areas**  marked above (see second map). **DO NOT PARK ELSEWHERE** & don't block the loading dock, if these spots are full then you will need to find metered parking that does not require a U of A pass.
6. Go in the loading dock doors of the building next to where you parked labeled "**Radiology Labs**".
7. Take the first right in the hall, my office is in the corner, **office 166**, marked with the star  (on the map, not on my door).
8. Come in and I'll be happy to help you, but first **ask me for a temporary pass** for the  parking spot.

Anthony Tanbakuchi
